Q 65. Location of Courts-Martial Records:

- **Note:** Cases requested are listed by line/case number according to each Service’s Unrestricted Reporting Case Synopsis Table (Spreadsheet 7) in the Department of Defense (DoD) Sexual Assault Prevention and Response (SAPR) Annual Reports for FY12 and FY13. The cases listed are those listed at “Sexual Assault Offense: Court-Martial Charge Preferred (Initiated)” within those charts.
- In Column 3 of the table below, please click on “choose an item” to indicate whether:
 - “Copies of documents will be provided.”
 - Or, if record is located in the NCR, “Documents are located at [insert location]; POC: [Name], [Contact Information].”

Air Force – FY12:

We do not have the case names that correspond with the FY 12 SAPR Report. However, we ran an AMJAMs query and found all of the cases that meet the above requirements. Documents located in the NCR may be in the Jones Building on JB Andrews or at the Washington National Records Center in Suitland, Maryland. The records may move locations, so you will have to contact Ms. Hattie Simmons to find out the location when you would like to review them. Records in Suitland could take several weeks to order.
