Lieutenant General Flora D. Darpino  
The Judge Advocate General  
2200 Army Pentagon  
Washington, DC 20310-2200

Dear Lieutenant General Darpino:

The Judicial Proceedings since Fiscal Year 2012 Amendments Panel (JPP) members greatly appreciate the Army's responses to the JPP's previous requests for information (RFIs), your on-going cooperation to gather case data, and the superb presenters you have provided at our monthly public meetings. We are mindful that our requests put additional pressure on your personnel and resources. However, to accomplish our statutory tasks, we need to continue to ask for your assistance.

Over the next few months, the JPP will be examining issues related to retaliation against those who file sexual assault reports. To facilitate our understanding of the topic, we will need information regarding regulations, policies, procedures, and data maintained by the Army. We request that you provide that information in responses to the attached document, *JPP RFI Set # 3*, by May 6, 2015. This will allow us time to review the Services' written answers and prepare for the May meeting.

The Judicial Proceedings Panel is an advisory committee under the Federal Advisory Committee Act. Unless appropriately marked by the submitter as classified or otherwise not releasable to the public, all comments received by the Judicial Proceedings Panel will be treated as publicly releasable and made available for inspection or copying by the public. My point of contact is Lieutenant Colonel Kyle W. Green, JPP Staff Director, who may be reached at (703) 693-3867 or via email at [kyle.w.green1.mil@mail.mil](mailto:kyle.w.green1.mil@mail.mil).

Thank you for your continued support.

Sincerely,

A handwritten signature in blue ink, appearing to read "Elizabeth Holtzman".
