27th Annual  
**CRIMES AGAINST  
CHILDREN  
CONFERENCE** <sup>SM</sup>

**AUGUST 10-13, 2015**

**\$490 registration fee**  
(if registered & paid by June 12th)

**SHERATON HOTEL  
DALLAS, TX**

Internationally recognized, the  
**Crimes Against Children Conference**  
is the premier conference of its kind providing  
practical and interactive instruction to those fighting  
crimes against children and helping children heal.

Dallas  
Children's  
Advocacy  
Center®

Where healing begins for abused children

**PRESENTED BY:**  
Dallas Children's Advocacy Center  
and Dallas Police Department

[cacconference.org](http://cacconference.org)

Lynn M. Davis,  
President & CEO  
Dallas Children's Advocacy Center

Greetings from Dallas,

We look forward to seeing you at the 27th Annual Crimes Against Children Conference, August 10th-13th. Conference planning is in full swing, and I know you will be pleased with the many opportunities for learning and networking this year. More speakers, workshops, and computer labs will be added on a regular basis between now and the conference, so be sure to check the conference website weekly at [cacconference.org](http://cacconference.org) for the latest program updates.

- We are excited about our Opening Plenary speakers. Emily Vacher from Facebook, our Platinum Sponsor, will give us a look at the State of the Industry. Director Sarah Saldaña of ICE will serve as our Partner Keynote speaker. Brie W., a young survivor, will discuss the challenges she has faced and the efforts she has made against sexual exploitation and trafficking in her Survivor Keynote.
- We are delighted to welcome our new Gold Sponsor, Offender Watch, and all attendees joining us from the field of sex offender monitoring and management.
- This year, we are offering new specialized training courses on sextortion, revenge porn, and sexting and a workshop on 3D printing for child abuse cases.
- We will again take you behind the scenes of many complex investigations, such as the suicide of Amanda Todd, a teenager who was cyberbullied and exploited which led to the arrest of a Dutch man using many aliases to blackmail Todd. We will also take you behind the scenes of the investigation and prosecution of Ariel Castro, a man who held three women captive and tortured them for more than a decade. See our website for an updated lineup of other intriguing case studies.
- We are again providing workshops for Children's Advocacy Center directors and staff. These workshops will cover how to effectively lead a CAC and a Board of Directors, build an education program, conduct practical research, build an MDT, market your agency, and much more.
- We are again providing hands-on computer lab training and are now including more labs for non-law enforcement attendees. Registration for all labs will be through a special online registration process. Watch your inbox for an email announcing open computer lab registration.
- We are proud to again host the Technology Coalition, where Facebook, Google, Yahoo!, Microsoft, and others will gather to share information about fighting child sexual exploitation online.
- We strive to be responsive to the needs of our attendees. We actively listen to feedback and make adjustments each year. Check out page 8 to see what's new for 2015!

We know there is something here for everyone. We look forward to seeing you at the world's largest, most comprehensive crimes against children conference. Until we see you in August, keep up the good work.

Lynn M. Davis  
President & CEO  
Dallas Children's Advocacy Center

We encourage you to register  
and pick up your conference  
materials Sunday afternoon/  
evening to beat the crowd.

Personnel will be on site at the  
Sheraton Conference Center  
on Sunday, August 9th  
from 2:00 - 9:00 PM.

# DALLAS CHILDREN'S ADVOCACY CENTER

## MISSION

The mission of the Dallas Children's Advocacy Center (DCAC) is to improve the lives of abused children in Dallas County and to provide national leadership on child abuse issues.

## CORE VALUES

The children come first in all that we do.  
We operate as a seamless team.  
Each of us acts with a servant's heart.

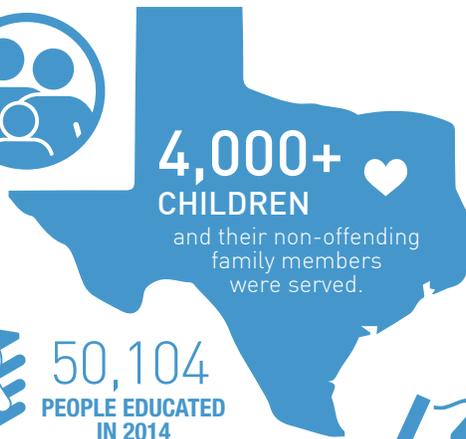

## OUR IMPACT

2,694  
SERVED BY FAMILY ASSISTANCE PROGRAM

4,000+  
CHILDREN

and their non-offending family members were served.

13,211  
THERAPY CLIENT CONTACT HOURS

2,126  
TOTAL FORENSIC INTERVIEWS

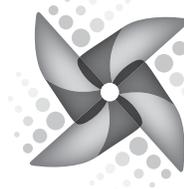

50,104  
PEOPLE EDUCATED IN 2014

744  
IN-DEPTH CASE DISCUSSIONS

We moved into our 56,000 sq. ft. building in 2013. We hope you will tour our center while attending the Crimes Against Children Conference!

See [cacconference.org/tours](http://cacconference.org/tours) for tour details.

Dallas Children's Advocacy Center®

Where healing begins for abused children

# DALLAS POLICE DEPARTMENT

*“The collaboration in the setting of the CAC is seamless.”*

- DALLAS CHIEF OF POLICE

**THE DALLAS POLICE DEPARTMENT** is one of the original partner agencies supporting the work of the Dallas Children's Advocacy Center (DCAC). Since DCAC was established in 1991, the Department's Child Abuse Squad has been housed at DCAC, helping ensure a cooperative working relationship among detectives, DCAC staff, medical experts, and Child Protective Services (CPS). The Child Abuse Squad investigates familial physical and sexual abuse cases and cases of fatal child abuse and neglect. The Squad also investigates incidents of suspected abuse and neglect referred to police by CPS.

The Child Exploitation Squad investigates offenses of non-familial child sexual abuse and exploitation, juvenile prostitution, non-Internet child pornography, and child abductions. The Squad utilizes DCAC facilities on a routine basis for conducting forensic interviews.

The Sex Offender Compliance Squad's central responsibility is enforcement of Texas sex offender registration laws. This squad includes two teams: Registration and the Sex Offender Apprehension Program (SOAP).

The Internet Crimes Against Children (ICAC) Task Force is responsible for investigating cases of technology-facilitated child pornography and cases of child sexual exploitation or abuse that result from contact over the Internet or other electronic means.

In 2003, the Dallas Police Department became part of the FBI National Innocence Lost Task Force to combat domestic trafficking of children. As a result of

this task force involvement, in November 2004, the High Risk Victims and Trafficking Team (HRVT) was formed within the Child Exploitation Squad to more effectively deal with child victims of sex trafficking.

The units of the Dallas Police Department described above enjoy close working relationships with the Dallas office of the FBI. A Crimes Against Children Task Force was formed in 1995, combining the resources and expertise of both agencies. This Task Force works cooperatively on all sexual exploitation cases which may involve federal violations such as computer child pornography, juvenile prostitution, and child abductions. The Dallas detectives assigned to this Task Force have been deputized as both U.S. Marshals and Special Investigators of the Texas Attorney General's Office to assist them in filing criminal charges in exploitation cases.

# PROGRAM OVERVIEW

The conference is conducted for the sole purpose of providing training to those employed by governmental agencies or nonprofit agencies in the fields of law enforcement, prosecution, child protective services, social work, children’s advocacy, therapy, and medicine who work directly with child victims of crime. Conference Management reserves the right to refuse admission to any individual who does not meet this criteria. Representatives from for-profit enterprises may attend if the company is exhibiting or sponsoring the event, or by special invitation.

Monday morning begins with an opening session that includes the conference keynote presentations. During the conference, there will be 25 workshops and 10 interactive computer labs operating concurrently. This year we have added a course track to each day, allowing for more workshops and selected repeats. The most current schedule and all workshop descriptions may be found online at [cacconference.org](http://cacconference.org).

This preliminary program contains a sampling of the valuable and relevant training that has prompted a 99% satisfaction rating from prior attendees.

## CONFERENCE SCHEDULE

# REGISTRATION INFORMATION

## REGISTRATION RATES

**\$490** through June 12th

**\$540** June 13th or later

## ONE OR TWO-DAY REGISTRATION RATES

**One-Day Registration: \$190/person**  
(Monday, Tuesday OR Wednesday)

**Two-Day Registration: \$340/person**  
(Monday and Tuesday OR Tuesday and Wednesday)

FOR ALL REGISTRATION INFORMATION PLEASE VISIT [CACCONFERENCE.ORG](http://CACCONFERENCE.ORG)

## HOTEL ACCOMMODATIONS

Attendees are responsible for booking their own hotel accommodations.

You may book your hotel room using the links on our website, [cacconference.org/hotels](http://cacconference.org/hotels).

\*Please do not reserve a room outside of the negotiated conference hotels without contacting [conference@dcac.org](mailto:conference@dcac.org).  
When the listed hotels sell out, we can negotiate additional rooms.  
Please contact us for more information.

*“This is an excellent conference. It is well-organized and brings together a wonderful group of people really committed to working on these important issues.”*

- Federal Law Enforcement Professional

## IT'S NEVER BEEN EASIER TO DISCOVER DALLAS!

The Conference has negotiated travel discounts. You may book your travel through Colwick Travel. Visit [cacconference.org/airfare](http://cacconference.org/airfare) for more information.

Attendees are responsible for transportation to/from the airport and hotel. Dallas' Rail System (DART) provides service from DFW Airport to downtown Dallas. The price can't be beat! Visit [cacconference.org/transportation](http://cacconference.org/transportation) for more information.

Dallas offers bus, rail, and trolley services all around the city! Now visiting your favorite restaurants and Dallas neighborhoods is cheaper and easier than ever before! Visit [dart.org](http://dart.org) for more information on these great transportation options.

# PAYMENT INFORMATION

## REGISTERING FOR THE CONFERENCE

You must register for the conference online. You may pay by credit card, check or purchase order. After you have completed online registration, you will receive a confirmation email. Please keep this for your records. The confirmation number will allow you to re-enter your registration and make changes.

## EARLY REGISTRATION

If you wish to take advantage of the early registration fee of \$490, you must be registered and PAID, or submit a purchase order for our records, before the early registration deadline, June 12th. If you are registered, but not paid by June 12th, you will be charged the FULL registration fee of \$540.

## PAYING FOR THE CONFERENCE

Registration fees must be PAID IN FULL before the conference begins. Failure of payment will result in you providing us with your personal credit card information when you arrive on site at the conference. If payment is not received within 30 days post conference, your personal card will be charged. Those with an outstanding balance 30 days post conference will be subject to a monthly billing fee of \$25.00.

## CHECKS

If you or your organization will be paying for conference fees with a check, please make

check payable to the Dallas Children's Advocacy Center, *include a list of attendees the check applies for*, and mail to:

**Dallas Children's Advocacy Center**  
**Attn: CACC Payment**  
**5351 Samuell Blvd.**  
**Dallas, Texas 75228**

## CREDIT CARDS

Credit cards can be used to register online (American Express, MasterCard, Visa, and Discover). If you have difficulties using your credit card online or receive an error message, please contact us at [conference@dcac.org](mailto:conference@dcac.org). We can process a credit card payment offline, if necessary.

## PURCHASE ORDERS

A purchase order is a promise of payment. While you may attend the conference with only a purchase order on file, you are expected to pay the balance within 30 days post conference. Those with a balance due after this deadline will be subject to a \$25.00 monthly billing fee. A purchase order must be on file with conference staff (including a valid number and a copy of the P.O.). Purchase orders can be mailed, faxed to 214-823-4819, or emailed to [conference@dcac.org](mailto:conference@dcac.org).

## INVOICES AND RECEIPTS

Upon completion of registration, in addition to

your confirmation email, you will receive an invoice if a balance is due. If you are paying by credit card, please use your confirmation email as receipt of your payment.

## REFUND DEADLINES

Individuals or groups who wish to cancel registration may do so at anytime. Canceling your registration before midnight on July 10th will guarantee you a refund, less a \$40 administrative fee. As of midnight on July 10th, if you are registered for the conference, we incur expenses on your behalf, and full payment is expected. You are required to pay IN FULL if you are registered as of midnight on July 10th, whether or not you attend. If you are registered as of midnight on July 10th and have not paid, you will be billed for your full conference payment. If you have paid your registration as of midnight on July 10th and do not attend, NO REFUND will be given. You may substitute another qualified attendee in your place without any additional fee at any time.

Questions or concerns regarding cancellations should be directed to [conference@dcac.org](mailto:conference@dcac.org).

## DCAC TAX ID #

75-2303404

## NETWORKING OPPORTUNITIES

### MONDAY

4:45-6:30PM

**Meet and Greet  
in the Exhibit Hall**

*\*Dinner on your own*

### TUESDAY

6:00PM

**Dallas Police Association  
Hospitality Event**

*\*Optional off-site networking event.*

*Dinner provided.*

### WEDNESDAY

7:00PM

**Rustic Rodeo**

*\*Dinner served until 8:30pm*

Throughout the conference we will have targeted forums based on field to network with your peers. Please look for these opportunities on our website and in the final program when you arrive!

# CONFERENCE IMPROVEMENTS

We take feedback very seriously from our conference attendees and work every year to improve from the prior year. Here are some of the things we heard from you in 2014 that we are excited to offer you this year:

## YOU ASKED FOR

### **“More classes and a later start in the morning.”**

Sessions now start at 8:30 AM.

Some popular classes are now scheduled over the traditional lunch hour.

## YOU ASKED FOR

### **“Computer labs for non-law enforcement professionals.”**

See the labs that state “Open to all conference attendees” in the description.

Special registration is required for all labs.

*Note that the lab schedule is different from the regular workshop/case study schedule, so plan your days carefully. The computer lab schedule is on page x.*

## YOU ASKED FOR

### **“Better transportation from offsite hotels with conference blocks.”**

We have continuous bus service from the Fairmont and Adolphus starting at 7:00 AM daily. Stay at The Highland to enjoy the shopping, restaurants and movie theatre at Mockingbird Station, and grab the DART light rail train to come to the conference (just two quick stops away at the Pearl Street Station).

## YOU ASKED FOR

### **“Free Wi-Fi in the conference center.”**

Done!

## YOU ASKED FOR

### **“Someplace to put your coffee and continental breakfast in the Opening Plenary.”**

The seating in the main Lone Star Ballroom will continue to be set theatre style, but if you go to one of the exhibit hall level ballrooms (ground floor of conference center), the rooms will be set classroom style. We’re live streaming the Plenary session to this room so you can spread out and enjoy your coffee and continental breakfast!

## YOU ASKED FOR

### **“Networking opportunities to meet your professional colleagues.”**

We have added several professional forums on Monday.

The forums provide not only great educational experiences but chances to meet colleagues and make some new friends.

# OPENING PLENARY

Monday, August 10th,  
8:30-9:30 AM

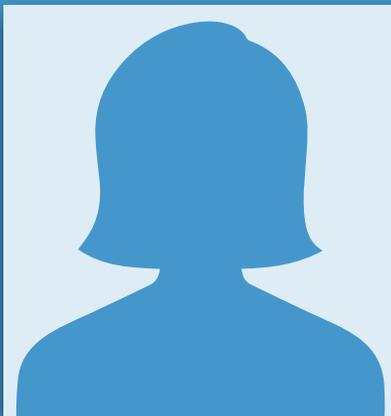

## State of the Industry Remarks: EMILY VACHER

Emily Vacher joined Facebook in 2011 and is currently Trust & Safety Manager with Facebook's Security team. Emily is responsible for law enforcement outreach, global safety initiatives, safety education, and security policy matters. She is currently focusing on Facebook's AMBER Alert program and child safety issues. Emily works extensively with the National Center for Missing & Exploited Children (NCMEC) and serves as a member of NCMEC's Team ADAM/Project Alert and NCMEC's law enforcement/industry liaison committee. Before she joined Facebook, Emily was a Special Agent with the Federal Bureau of Investigation (FBI) for more than a decade, leading a broad range of federal investigations. Emily holds a an MS and MPA from Syracuse University/Maxwell School of Citizenship & Public Affairs and a J.D. from Syracuse University College of Law.

## Partner Keynote: DIRECTOR SARAH SALDAÑA, ICE

As ICE's Director, Sarah R. Saldaña leads the largest investigative agency within the U.S. Department of Homeland Security. In this role, Director Saldaña advances ICE's mission to promote homeland security and public safety through the criminal and civil enforcement of approximately 400 federal laws governing border control, customs, trade and immigration. Previously, Director Saldaña served as the United States Attorney for the Northern District of Texas. She graduated Summa Cum Laude from Texas A&I University and earned her J.D. degree from Southern Methodist University. Director Saldaña also holds the distinction of being the first Latina appointed by President Barack Obama and confirmed by the U.S. Senate as ICE's Director.

## Survivor Address: BRIE W.

Our survivor keynote is Brie W., whose full identity is being kept confidential. Brie was victimized in a widely traded child pornography series titled the BluePillow. Originally reported by the Danish National Police, NCMEC linked the photo series to California through a trash can in the background of a photo. A nearly month long investigation, based on details in the photos and videos in the series, led to her rescue and to the arrest and conviction of her abuser/child pornographer. Brie has since emerged as an advocate of efforts against child sexual exploitation and trafficking.

The Plenary will now be live-streamed downstairs in the Dallas ballroom giving you the opportunity to enjoy breakfast and the ceremony.

# 2015 SPONSORS & PARTNERS

THE ANNUAL CRIMES AGAINST CHILDREN CONFERENCE IS PRESENTED BY

Dallas Children's Advocacy Center®

Where healing begins for abused children

## A SPECIAL THANKS TO THIS YEAR'S CONFERENCE TRAINING PARTNERS, SPONSORS, AND SUPPORTERS.

PLATINUM SPONSOR

GOLD SPONSOR

When you want to stay ahead

A Women's Auxiliary Group

**We are proud  
to honor the  
men and women  
who defend our  
nation's children.**

**facebook**

Platinum sponsor of the 27th Annual Crimes Against Children Conference

**watch** *Informed  
Families*

**Offenderwatch**®

The leader in sex offender management and community notification

Live Demos at Booth #20

## Kick-start your Sex Offender Registry

### **FREE Consultation with Sr. Law Enforcement Consultants**

9AM - 4PM Pearl 5 Tuesday and Wednesday

Our senior professional staff are available to discuss your specific needs in a private session. Sex offender registry officers, prosecutors, AG staff, probation and parole officers walk away with ideas on how to streamline and energize their sex offender registry and community notification program. Participants can also arrange free training and demonstrations for their staff.

### **Hands-on Demonstration of Your Agency's Processes Automated with OffenderWatch**

9AM - 4PM Pearl 5 Tuesday and Wednesday

After discussing your current statutes and processes, we will demonstrate how OffenderWatch can improve your agency's efficiency in registering offenders, conducting verifications, performing sweeps, responding to abductions, managing homeless offenders, and locating absconders.

## Workshops for Law Enforcement

### **Comprehensive Offender Management: Exceeding the Letter and the Spirit of the Law**

8:30 - 9:45AM Lone Star A4 Tuesday and Wednesday

Sex offender registry officers, prosecutors, probation and parole staff will learn how to leverage OffenderWatch® to establish best practices for sex offender management. We will discuss current policies for data collection, supervision, and public notification and demonstration techniques for improving your agency's efficiency in registering offenders, conducting verifications, performing sweeps, and managing homeless offenders.

### **Conducting Effective Sex Offender Investigations: Policies, Protocols and Procedures**

10:15-11:30AM Lone Star A4 Tuesday and Wednesday

We will present case studies to illustrate the importance of collecting more data than the minimum statutory requirement and how that prepares your agency for successful investigations. You will see a demonstration of the advanced search and mapping capabilities of OffenderWatch® that can be used by a Child Abduction Response Team (CART) in identifying potential suspects by geography or MO and in a national search for an absconded sex offender. This session is great for criminal investigators, offender registry officers, prosecutors, probation and parole staff.

### **Locating Absconded Sex Offenders: Leveraging Your US Marshal**

1:45 - 3:00 PM Lone Star A4 Tuesday and Wednesday

You will learn to use the advanced search and mapping capabilities of OffenderWatch® in a national search for an absconded sex offender and how use the built-in US Marshall Alert feature to engage the US Marshall's Sex Offender Task force. US Marshalls will present case studies that illustrate how they offer free assistance to law enforcement in locating absconded offenders and conducting compliance operations and sweeps.

To arrange a live demonstration for your agency after the conference, please email [info@watchsystems.com](mailto:info@watchsystems.com)

# **GODADDY IS A PROUD — SPONSOR.**

27<sup>th</sup> Annual Crimes Against  
Children Conference.

We support the Dallas Children's Advocacy  
Center® and all those who fight crimes  
against children and help children heal.

**It's GoTime™**

# Keeping communities safe. It's your goal. It's ours too.

At the National Criminal Justice Training Center, it's our mission to equip you with the right training and tools to affect positive change in your community.

You'll find child protection training in missing and endangered children, child abuse, human trafficking and Internet crime investigations that will inspire and empower you to take action.

Together, we can keep communities safe and make a difference—because we know what's at stake.

Contact us to get started today. (855) 866-2582 | [info@ncjtc.org](mailto:info@ncjtc.org) | [www.ncjtc.org](http://www.ncjtc.org)

When protection fails and access succeeds.

We teach investigators how to pull the digital pieces together to make a case.

**High-Tech Crime Training Services**

[www.search.org](http://www.search.org)

The National White Collar Crime Center (NW3C) is committed to assisting all agencies working to prevent, investigate and prosecute crimes against children. Most training is offered at no charge to law enforcement. For more about who we are and the services we provide, visit us at [www.nw3c.org](http://www.nw3c.org).

This project was supported by Grant No. 2012-MU-BX-4004 awarded by the Bureau of Justice Assistance. The Bureau of Justice Assistance is a component of the Office of Justice Programs, which also includes the Bureau of Justice Statistics, the National Institute of Justice, the Office of Juvenile Justice and Delinquency Prevention, the Office for Victims of Crime, and the Office of Sex Offender Sentencing, Monitoring, Apprehending, Registering, and Tracking. ## **Combating Sexual Exploitation One Stop at a Time**

*Michael Bourke, Derek Prestridge*

## **Compassionate Listening: A First Aid Tool for Interacting with Trauma Survivors**

*Christopher Anderson*

## DIGITAL CRIME SCENE CHALLENGE

The Digital Crime Scene Challenge is a competition between three-person teams that will test investigative skills. Teams will execute a search warrant on a mock crime scene of a suspected offender's residence. The goal of the competition is to retrieve as much evidence as possible and to formulate an investigative plan. The mock investigation will begin approximately one month prior to the conference and will end with the execution of the search warrant at the conference. Points will be awarded for each phase of the investigation and the recovery/identification of evidence. The winning team members will each receive a prize.

**Returning to defend their title, the Edmond, OK ICAC Task Force**

Special Registration required for both challenges. Visit [cacconference.org/DigitalChallenge](http://cacconference.org/DigitalChallenge) for more information.

## DIGITAL FORENSIC CHALLENGE

The Digital Forensic Challenge is a new competition between individuals that will test their forensic skills and ability to identify and recover evidence from a computer seized during the execution of a search warrant. Each person will have a strict time limit to recover as much pertinent evidence as possible. Competitors will need to bring their own forensic computer and forensic software, but will be provided with a SATA hard drive that will contain a forensic image (in E01 format). Points will be awarded for evidence identified and recovered. The winning person will receive a prize.

## VISIT THE NCMEC CHILD VICTIM IDENTIFICATION LAB

Many children have been rescued from further sexual abuse because a clue in the background of child pornography images led to the location of their abuse. The National Center for Missing & Exploited Children is proud to bring the "Victim Identification Lab" back to the Dallas Crimes Against Children Conference for a tenth year. NCMEC will offer all registered participants at this year's Conference a glimpse into this powerful tool designed to help law enforcement and social service agencies in their efforts to identify and rescue these children. Within this interactive lab, computers will be available for participants to access background identifiers and audio clues in hopes that these items may be recognizable or familiar to Lab participants. Accompanying each sanitized picture will be a real-time message thread where participants can post their comments and suggestions. You may have the piece of the puzzle that could lead to the rescue of a child victim.

NOTE: All registered conference attendees are invited to participate in this Lab; however due to the sensitivity of this issue, please make sure to wear your conference badge and bring proof of identity to gain entry.

# COMPUTER LABS SCHEDULE

You must register for individual computer labs through a special registration process, and you must be registered for the conference in order to register for computer labs. Computer lab registration will open in July.

Computer labs are held on the 3rd floor of the conference center. After you check in for the conference, please visit the 3rd floor to make any changes to your computer lab schedule.

Please note that the computer lab schedule differs from the regular conference schedule. **Labs begin at 8:00am.**
