REQUEST FOR INFORMATION SET # 1**

42. DoD and Services: How is SVC program data collected and by whom?

DoD	Response Pending
USA	Individual SVC report statistics to the SVC Program staff.
USAF	<p>The data for the SVC program is collected and stored in a SharePoint database that is maintained and operated by the Legal Information Services Division, Air Force Legal Operations Agency (AFLOA/JAS).</p> <p>The Special Victims' Paralegal (SVP) division manager is in charge of opening all cases in SharePoint once a request for SVC representation is received and a SVC is detailed to represent a client. It is the responsibility of each SVC and their regional SVP to continuously update SharePoint with the latest data.</p>
USN	Data is collected by both the VLCP and Navy JAGC leadership. Data is further provided to additional DON or DoD components upon request.
USMC	See answer to Question 41.
USCG	SVC program data is collected by the staff in the program manager's offices. Data is collected from information submitted by SARCs and trial counsel as well as in a customer survey submitted at the end of the SVC's representation.
